

# Trinity's Swimming Carnival

Trinity's Annual Swimming Carnival was held this week at the Harden pool. All children participated with great enthusiasm in their events which included 12m, 25m, 50m, 100m and 200m events as well as lots of novelties and fun relays.

The parent/staff/ex-student relay again delivered much entertainment for the students and spectators. Well done to the **RED** team of **Jack** and **Jesse Glover, Ethan Birks** and **Aidan Hill** on bringing home the **glory** with **SPEED** and **GRACE!**

All students participated eagerly in the traditional 'March Past, and 'Chant Cheering' as well as continuing to cheer on their team mates throughout the day with many **NEW** chants entertaining the crowd this year. The marching was amazing with **BLUE** House declared the winners, followed by **GOLD** House and **RED** House awarded third place.

Once again the support given at the carnival by our parents, community members and past students was overwhelming and contributed to the carnival's success. We are very grateful at Trinity for the continuing support of these wonderful people.

The **GOLD House** was declared the overall winning team again this year continuing on their success from last year. **RED** finished in a close second place and **BLUE** third.

**Michael Oakley** and **Tanna Brooks** were presented with special encouragement trophies for their outstanding participation and efforts on the day.

The senior students are to be commended for their participation and support of their teams, particularly their encouragement of the infant students in their 12m and 25m events. The Sports Captains, **Chaz Cooper, Poppy Lucas, Tylerr Leitner, Tilla Bowman** and **Tasmin Sommer**, all did an amazing job in their leadership roles during the carnival.

*Trinity's Swimming Champions and Runners Up for 2020 are:*
